CIMA HOSPICE ANNOUNCES APPOINTMENT OF A KEY POSITION

SAN ANTONIO, TX - David A. Perez, President of CIMA Hospice has announced the appointment of a new Chief Operating Officer within the organization.

Michael James Kuhn joins CIMA as Vice President–Chief Operating Officer. Michael comes to CIMA with over 27 years of Healthcare experience. He has held a wide variety of positions including CEO/COO of several Hospitals in Texas and Florida. Michael brings a multitude of skills including Productivity and Performance Management, Staffing Optimization, Cost Value Analysis, Systems Integration and Operations Management.

“I am extremely excited to have someone of Michael’s caliber join CIMA.” said David A. Perez, President of CIMA Hospice. “Adding Michael will be a great compliment to our team and will help lead the integration process with Jordan Health Services.”

“I’ve watched CIMA’s success and growth with great admiration and a bit of envy over the years and now look forward to joining the team,” said Michael Kuhn.

On October 14, 2011, CIMA Hospice and Jordan Health Services combined their organizations to provide a full continuum of Home Care and Hospice Services.
